

Marion County Soil & Water Conservation District
“The Blue Thumb Guide to Raingardens” Booklet Order Form

“The Blue Thumb Guide to Raingardens” booklet was featured at the recent Hoosier Heartland RC&D **Landscaping with Rain Garden Workshop** held at the Indiana State Fairgrounds this past February. The Marion County Soil & Water Conservation District (SWCD) still has a limited number of these booklets available for sale. This is a great reference to assist in design and installation of rain gardens.

While supplies last, the booklet may be purchased by visiting the Marion Co. Soil and Water Conservation District office at 6960 S. Gray Rd, Suite C, Indianapolis, IN 46237 for \$18.00 each. Price includes sale tax. Phone the office first at 317-786-1776 to make sure staff will be available when you plan to visit and pick up a copy. To have the SWCD mail you a copy will cost an additional \$3.00. Those wanting to have a copy mailed to them should complete the order form below and mail to our office with payment. Upon receipt of your order and payment we will send you a copy. To obtain more information or a copy of this booklet directly from the publisher you may also contact raingardens@yahoo.com. The booklet is also available at Amazon.com.
